With your help, my dance studio, Creative Movement Center, hopes to raise a total net profit of \$3,000. Accomplishing this goal will allow us to “adopt” a 5<sup>th</sup> grade classroom within the Cleveland Metropolitan School District to receive the 10-week social development program, Dancing Classrooms.

Dancing Classrooms isn't a dancing program; Dancing Classrooms is a social development program that utilizes ballroom dancing as a tool to generate social change in the participants. Dance is the tool for getting children to break down social barriers, learn about honor and respect, treat others carefully, improve self-confidence, communicate, and cooperate, and accept others even if they are different.
